CONDITIONS OF SALE.

First.—The highest bidder to be the buyer, and if any dispute arise between two or more bidders the lot so disputed shall be immediately put up again and re-sold. The auctioneer reserves to himself the right to refuse any bid.

Second.—No person to advance less than one shilling. Above £2, two shillings and sixpence; and so on in proportion.

Third.—The purchasers are to give in their names and places of abode, and to pay down **a deposit of five shillings in the pound in part payment of the purchase-money**, in default of which the lot or lots so purchased to be put up again and re-sold at any convenient opportunity during the sale or otherwise.

Fourth.—The lots are sold with all faults and errors of description (if any). The purchaser is deemed to have inspected the lots he buys, and if he buys without previous inspection he shall be deemed to have done so at his own risk. No allowance can in any case be made, nor shall the vendor be answerable for any deficiency in quantities, conditions, weights or measurements, claimed for after the purchaser, his agent, carrier, or man employed by him, has removed his lot or lots from the premises.

Fifth.—The lots are to be taken away and paid for, with all faults and errors of description, at the buyer's expense and risk, **absolutely not later than 12 noon Saturday, April 27th**, the auctioneer not being responsible for the correct description, genuineness or authenticity of, or any fault or defect in any lot, and making no warranty whatever. The purchaser shall be responsible for damage done to the premises or goods during the removal of his lots.

Sixth.—The right to withdraw, alter or amend any lot or lots is reserved.

Seventh.—If any dispute or difference arises about any lots or any matter in relation to the sale the same to be settled by the auctioneer, whose determination shall be final and binding on all parties concerned.

Lastly.—Upon failure to comply with the above conditions, the money deposited in part payment shall be forfeited to the vendors, the lots remaining uncleared shall be resold by public or private sale, and the deficiency (if any) attending such resale, together with all incidental expenses and charges, shall be made good by the defaulters at this sale. This condition, is however, without prejudice to the right of the auctioneer to enforce the contract made at this sale, and the entry by the Clerk in the sale-book verified by the auctioneer shall be deemed full and sufficient evidence of such contract and binding alike upon vendor and purchaser.

N.B.—All lots not taken away on the **Saturday following** the sale, whether paid for or not will be chargeable with **portage and ware room** at **6d.** per lot per day on small lots, rising to **5/-** per day, which will be strictly enforced in all cases.
